About the Research and Reviews: A Journal of Life Sciences

Research and Reviews: A Journal of Life Sciences (RRJoLS) is a print and online journal centered towards the rapid publication of fundamental research papers on all areas of Life Sciences. The aim of the journal is to enhance and disseminate logical information and standard.

All commitments to the journal are thoroughly refereed and are chosen on the basis of quality and originality of the work. The journal distributes the most significant new research papers or any other original commitment as reviews and reports on new ideas in all areas pertaining to its degree and research being done on the planet, in this way guaranteeing its logical need and significance.
