About the Adoption & Fostering

Edited by Roger Bullock (Fellow, Centre for Social policy, The Social research Unit at Dartington, uk) and managed by way of Miranda Davies, Adoption & Fostering is a quarterly peer reviewed journal which has been on the reducing facet of discussion on childcare issues for over 50 years. It is the only united kingdom journal committed to adoption and fostering problems, supplying an international forum for a wide range of experts: lecturers and practitioners in social paintings, psychology, law, remedy, training, schooling and being concerned for youngsters and younger people.

As the legit magazine of the CoramBAAF Adoption & Fostering Academy, the United Kingdom's main adoption and fostering charity, the journal supports CoramBAAF's pursuits of promoting the highest requirements of practice in adoption, fostering and childcare offerings, to boom public know-how of the problems and to provide an impartial voice for youngsters and households, disseminating new research and exercise traits, informing and influencing policy-makers, all the ones answerable for youngsters and younger people, and public opinion at massive.

In addition to informative and thought provoking articles from around the sector, Adoption & Fostering gives ordinary criminal notes and health notes organized by committed practitioners and professionals worried with the welfare of looked after youngsters and younger human beings within the united kingdom.
