About the Arts and Humanities in Higher Education

Arts and arts in higher schooling seeks to:

Post excessive first-class, peer-reviewed articles that carry crucial studies to the fore and stimulate debate. Serve the community of arts and arts educators internationally, through publishing good sized opinion and studies into modern troubles of teaching and getting to know in the area. These will include enquiries into policy, the curriculum and appropriate styles of assessment, as well as traits in methods together with digital modes of scholarship and path transport. Publish articles characterized by way of profound notion about both the interface between studies and teaching in the concern in query and the transformational purposes of a better education. Sell re-conceptualisation of arts and arts disciplines in ways that mirror, and reflect upon, coaching. The magazine will not publish basically descriptive accounts of records collection or uncritical reviews of teaching and direction shipping techniques.
