About the China Information

China records offers timely and in-intensity analyses of foremost tendencies in current China and foreign places chinese language groups in the regions of politics, economics, regulation, ecology, tradition, and society, inclusive of literature and the arts. It is a refereed academic magazine with an international readership listed in SSCI and Scopus.

China statistics pays special attention to perspectives and areas that do not acquire enough attention inside the mainstream discourse on contemporary China. It encourages discussion and debate between one-of-a-kind educational traditions, gives a platform to specific debatable and dissenting evaluations, and promotes studies this is historically touchy and contemporarily relevant.

The journal's task to sell exchanges among extraordinary educational traditions is contemplated in its focus of the critical contributions made through scholars out of doors the Anglo-Saxon global. It actively seeks to reflect the variety of scholarships and studies agendas in the usa, Europe, Japan, and China. The magazine includes book opinions that cowl publications from mainland China, Taiwan, Hong Kong, Japan, France, and the German-speakme regions. Further, China facts transcends the conventional limitations among social sciences and humanities and encourages go-fertilization between disciplines.
