About the Emotion Review

India being a diverse country, there are certain topics, such as religious, political and social issues, that can be sensitive. Therefore, Emotions and Society magazine should have a sensitive approach while covering sensitive issues and ensure that the content is not offensive or hurtful to any particular community. In order to appeal to its target audience, Emotions and Society magazine in India provides relevant and informative content related to emotions and social issues. This can include articles, features, and insights on topics such as mental health, relationships, self-improvement, gender and sexuality.

In addition to print, Emotions and Society magazine has a strong online presence, including a website and social media accounts. This will allow the magazine to reach a wider audience and engage with readers in real-time. In order to build a loyal readership, Emotions and Society magazine organises events such as reader meetups, workshops, and talks.
