About the Feminist Review

Feminism magazines keep you informed about current social and political issues affecting women's rights and gender equality. You can learn about feminist perspectives on a range of topics, including politics, culture, and media. It is very popular in India and globally, too. These feminist magazines keep you connected with a community of like-minded individuals who share your values and beliefs. Discover resources for activism and advocacy, including information on protests, rallies, and other events. Readers also gain insights into the experiences of marginalized communities and how to support them.

Order your digital magazine through our online subscription platform only with The Magazine Communications and experience the best magazine delivery and customer care service.
