About the International Journal of Evidence and Proof

Criminology Magazine is a friend-investigated academic diary that attempts to be a multinational, interdisciplinary conference for disclosing, assessing, and debating the most current improvements in proof law, confidence, and strategies. This criminology magazine is not specific to one region. It covers the improvements and changes in law in different parts of the world. The International Journal of Evidence and Proof is one of these magazines that brings in criminal records and studies.

So if you are someone interested in knowing criminal records and evidence from across the world, If you want to read interesting case studies based on it. You must subscribe today on our portal with the magazine subscription.
