About the Journal of Drug Issues

Journal of Drug Issues (JDI), published quarterly, has been dedicated since its inception to providing a professional and scholarly forum centered on the national and international problems associated with drugs, especially illicit drugs. It is a refereed publication with international contributors and subscribers. As a leader in its field, JDI is an instrument widely used by research scholars, public policy analysts, and those involved in the day-to-day struggle against the problem of drug abuse.
