About the Journal of Experiential Education

The Journal of Experiential Education (JEE) is a worldwide, peer-explored diary distributing refereed articles on experiential training in different settings. The JEE gives a discussion to the observational and hypothetical investigation of issues concerning experiential learning, program the executives and strategies, instructive, formative, and wellbeing results, educating and help, and examination strategy. The JEE is a distribution of the Association for Experiential Education. This diary is an individual from COPE.
