About the Media, War and Conflict Magazine Subscriptions

Media, War & Conflict is a major international, peer-reviewed journal that maps the shifting arena of war, conflict and terrorism in an intensively and extensively mediated age. It explores cultural, political and technological transformations in media-military relations, journalistic practices, new media, the arts, and their impact on publics, policy, and outcomes of warfare. The journal bridges arts and humanities, communications, political science, sociology, history, and other disciplines.
