About the Pharma Bio World

Pharma Bio World is a monthly publication for workers in the pharmaceutical and biotechnology industries. With nine years of trusted coverage, it has become a comprehensive source of news and views for decision-makers at all levels of management, from CEOs to general managers. The magazine provides in-depth coverage of policy, trends, technology, research, products, and events, offering valuable insights from consultants and industry experts.

As a part of the esteemed CHEMTECH Foundation, Pharma Bio World acts as a platform to showcase India's advantages to a global audience while also connecting Indian professionals with international events and opportunities. The magazine extensively covers technological advances, new products, market trends, R&D, industry surveys, environmental management, and more. Stay updated with the latest happenings in the Pharma and Pharmaceutical Industries by subscribing to Pharma Bio World magazine. Gain access to well-researched articles, exclusive reports, interviews, awards, case studies, and practice-oriented features. Embrace the opportunity to enhance your knowledge, stay informed about industry developments, and make well-informed decisions.

To subscribe to Pharma Bio World magazine, visit the official website or explore authorised distributors. Join the community of professionals relying on Pharma Bio World for valuable insights and comprehensive coverage. Stay ahead in the dynamic world of pharma with this essential industry resource.
