### About the Tele Dot Net

tele.net is a magazine targeted primarily at telecom service providers and large enterprise customers. It covers all segments of the telecom industry. It tracks key developments, analyses major trends, profiles noteworthy organisations, interviews top managers, features opinion pieces on emerging technology developments, profiles people of interest and provides key data and statistics. It is a must-read for any professional in the telecom industry, enterprise customer, technology provider or contractor, policy-maker or regulator, management consultant or financier. It is published monthly.
