About the Industrial Automation

Industrial Automation magazine is a monthly industrial magazine, in India since 1980, catering to the Factory and Process Automation needs of the industry. The magazine is the top most widely read and referred monthly magazines and trade journal in the automation industry and is a delight for the engineering college students and technology enthusiasts who want to learn about instrumentation, factory automation, process automation, digitalisation, robotics and many more topics. The brand today has evolved beyond the magazine and has tansformed into a digital media platform for the automation, manufacturing and industrial sector, Having a monthly digital magazine, a portal with daily updates about the industry.
