# About the Express Pharma Magazine Subscriptions

---

Since its inception in 1994 as Express Pharma Pulse, **Express Pharma Magazine Subscriptions** Delhi India has emerged as the foremost business fortnightly catering to the needs of the [pharma and pharmaceutical industry](#). Over the years, we have garnered immense trust and support from our valued readers, enabling us to claim the top spot as the **No.1 Business News Magazine** for the pharmaceutical sector. At Express Pharma Magazine, we pride ourselves on delivering comprehensive and up-to-date editorial content that covers a wide range of topics within the pharmaceutical landscape. Our magazine is divided into four key segments, each offering unique insights and perspectives.

## **Market: Unveiling the Business of Pharmaceuticals**

Stay informed about the latest market trends, business developments, and regulatory updates that shape the pharmaceutical industry. From mergers and acquisitions to market analysis and forecasts, our Market segment provides you with the knowledge you need to make strategic decisions in this ever-evolving landscape.

## **Management: Unlocking Insights for Pharma Leaders**

Gain valuable insights into effective management strategies, leadership techniques, and best practices in the pharmaceutical sector. Our Management segment equips industry professionals with the knowledge and tools necessary to navigate challenges, optimize operations, and drive success in their organizations.

## **Research: Expertise in Drug Development**

Discover cutting-edge research, innovations, and breakthroughs in the field of drug development. Our Research segment offers a platform for scientists, researchers, and pharmaceutical experts to share their expertise, explore emerging therapies, and stay abreast of the latest advancements in this dynamic domain.

## **Pharma Life: HR Concerns with a Pharmaceutical Focus**

Addressing the unique human resources challenges faced by the pharmaceutical industry, our Pharma Life segment delves into topics such as talent acquisition, workforce management, training and development, and employee engagement. Stay informed about the HR trends and strategies that shape the pharma workforce, ensuring your organization remains competitive and agile. In addition to our regular editorial content, Express Pharma Magazine provides periodic special editions to cater to specific interests and needs within the industry. Our quarterly publications include the Pharma Technology Review, Packaging Special, and LABNEXT, offering in-depth insights into the latest technological advancements, packaging innovations, and laboratory practices.
